Yes. Client lists and trading reports are available in the **Partner Portal**.

What can I access?

Through your **IB Dashboard**, you can:

- View your **referred clients list**
 - Monitor **trading activity and traded lots**
 - Track **commissions and rebates**
 - Export reports in **CSV format**
-

Important Notes

- Access is available to **approved partners only**.
 - Information is provided in accordance with applicable privacy and partner agreement policies.
