## Can I trade during news events?

Vi Viphawee - 2026-04-22 - [Comments \(0\)](#) - [Trading Conditions](#)

Yes, you can trade during major news events. However, you should be aware of increased market risks.

---

### □ What to expect during news releases

During high-impact news events, markets may experience:

- □ **Wider spreads**
- □ **Increased volatility**
- □ **Slippage (price gaps)**
- □ **Faster price movements**

These conditions may affect order execution and pricing.

---

### □ Important Reminder

While trading during news can present opportunities, it also carries higher risk. Ensure you use appropriate risk management tools such as Stop Loss orders.
