### □ Do you allow automated / EA trading?

Yes. INFINOX supports **Expert Advisors (EAs)** on both **MT4** and **MT5** platforms.

---

### □ What is EA Trading?

An **Expert Advisor (EA)** is an automated trading system that:

- Executes trades based on pre-programmed rules
  - Monitors markets continuously
  - Operates without manual intervention
- 

### □ Important Notes

- EAs must comply with our trading terms and conditions.
  - Performance depends on market conditions and strategy design.
  - VPS services may be recommended for uninterrupted operation.
