Do you offer Negative Balance Protection?

Vi Viphawee - 2026-04-22 - [Comments \(0\)](#) - [Trading Conditions](#)

Yes. INFINOX provides **Negative Balance Protection**.

This means your account balance **cannot fall below zero**, helping to protect you from owing more than your deposited funds under normal trading conditions.

Important Note

Negative Balance Protection is subject to:

- The Client Agreement
- Applicable terms and conditions
- Normal market conditions
