## □ How do I change my trading account password?

To change your trading account password, please log in to your Client Area and follow the steps below:

1. Go to **Accounts > Account Overview**
2. Select your **trading account**
3. Click "**Change Password**" and set a new password

You will receive an email with instructions to confirm or complete the password reset.  
If you do not receive the email within a few minutes, please check your **Spam** or **Junk** folder.

---

## □ Password Requirements

Your new password must:

- Contain at least **one uppercase letter** (A-Z)
- Contain at least **one lowercase letter** (a-z)
- Include at least **one digit** (0-9)
- Include at least **one special character** (e.g., !@#\$\$%)
- Be at least **8 characters long**
