## □ How do I open a Live Trading Account?

You can easily create a Live Trading Account anytime from your **Trader's Menu**.

### □ Step 1 - Open Live Account

Click Open Live Account  
(from the left menu or the top shortcut button).

### □ Step 2 - Select Account Category

Choose your preferred platform:

- MT4
- MT5
- Refer Code (Optional)  
You may enter a referral code provided by the inviter.  
Please note that the inviter will receive a commission when you trade.

Click **Continue** to proceed.

The screenshot displays the 'TRADER'S MENU' on the left side of the interface. The 'ACCOUNTS' section is expanded, showing options for 'OPEN DEMO ACCOUNT', 'OPEN LIVE ACCOUNT', and 'ACCOUNTS OVERVIEW'. The 'OPEN LIVE ACCOUNT' option is highlighted. The main content area shows a progress bar with three steps: '1. SELECT CATEGORY', '2. SELECT ACCOUNT TYPE', and '3. CONFIRMATION'. The '1. SELECT CATEGORY' step is active, showing a dropdown menu for 'Account Category' and a text input for 'Refer Code (Optional)'. A yellow 'Continue' button is located at the bottom of the form.

### □ Step 3 - Select Account Type and Configure Settings

Choose your preferred account type:

- ECN

- **STP**

Then configure the following:

- Leverage - Choose your preferred leverage (e.g., 1:1000)
- Currency - Default currency is USD

The screenshot displays the 'OPEN LIVE ACCOUNT' configuration screen. The left sidebar contains a 'TRADER'S MENU' with 'ACCOUNTS' selected. The main content area shows a progress bar with three steps: '1. SELECT CATEGORY', '2. SELECT ACCOUNT TYPE', and '3. CONFIRMATION'. Under step 2, there are three dropdown menus: 'Type' set to 'MTS ECN', 'Leverage' set to '1:1000', and 'Currency' set to 'USD'. At the bottom of the form are 'Back' and 'Continue' buttons.

## □ Final Step

Click **Continue** to confirm and create your Live trading account.

## □ Important Note

Each client can create up to:

- **5 STP accounts**
- **5 ECN accounts**

(Maximum 5 accounts per account type)
