How to Deposit Funds?

Vi Viphawee - 2026-04-20 - [Comments \(0\)](#) - [Deposit](#)

□ How do I deposit funds?

Follow the steps below to fund your trading account:

Log in to your Client Area.

1. Go to **Funds > Deposit Funds**.
2. Choose a **payment method**, select your **trading account**, enter the **amount**, and click **Fund Now**.
3. Confirm the details and track the status under **Funds > Transaction History**.

□ Available Deposit Methods

INFINOX offers multiple funding options, including:

- Credit / Debit Cards
- Skrill
- Neteller
- Bank Transfers
- Cryptocurrency

Available methods may vary depending on your region.

□ Important Notice

- **Third-party payments are not accepted.**
- Deposits must be made from an account registered under your own name.
