What is an IB Rebate?

Vi Viphawee - 2026-04-21 - [Comments \(0\)](#) - [Partners Program](#)

An **IB Rebate** is the commission earned by an Introducing Broker (IB) based on the trading activity of their referred clients.

How does it work?

- The rebate may be structured as a **percentage of the spread or commission**, or
- A **fixed amount per lot traded**

Rebates are typically credited when referred clients **open and close trades**, in accordance with the applicable Partner Agreement.
