Why do I have to provide proof of identity?

Vi Viphawee - 2026-04-20 - [Comments \(0\)](#) - [Account Verification](#)

□ Why does INFINOX require identity documents?

INFINOX is a regulated company and is required to comply with **KYC (Know Your Customer)** and other regulatory obligations.

As part of this process, we are required to verify your identity before providing our products and services.

□ How are my documents used?

Your identity documents are used solely for:

- Verifying your identity
- Protecting your account
- Meeting regulatory and compliance requirements

All information is handled securely and protected in accordance with strict data security standards.
