## Why Is My Withdrawal Not Reflecting?

Vi Viphawee - 2026-04-21 - [Comments \(0\)](#) - [Withdrawal](#)

### □ How long does a withdrawal take?

Withdrawal processing times depend on the selected payment method.

---

### □ Estimated Processing Times

- **Cryptocurrency** - T + 1 working day
  - **Local Bank Transfers** - 1-3 working days
  - **Wire Transfers** - 5-7 working days
  - **Credit / Debit Cards** - 2-10 working days
- 

### □ Business Days Only

Withdrawals are processed on **business days (Monday to Friday)** only.

If you submit a withdrawal request on **Friday**, processing will begin on the **next business day (Monday)**.

---

### □ What does “Successful” mean?

If your withdrawal status shows “**Successful**”, it means:

- Your request has been **approved and processed** on our side
- The transaction is now being handled by the **payment gateway or bank**

The funds will be credited according to the timeframe of your chosen payment method.

---

## ❑ **Withdrawal not received?**

If your withdrawal has not been received after the stated timeframe, please contact our Support Team via:

- ❑ Live Chat
- ❑ [support@infinox.com](mailto:support@infinox.com)

Our team will be happy to assist you.
