Why Do I Need to Verify My Account?

Vi Viphawee - 2026-03-04 - [Comentarios \(0\)](#) - [Account Verification](#)

□ Why is account verification required?

Account verification is required to comply with **AML (Anti-Money Laundering)** and **KYC (Know Your Customer)** regulations.

As a regulated company, INFINOX must verify client identities before providing access to trading services.

□ What documents are required for verification?

To complete verification, you must provide:

- **Proof of Identity**
 - **Proof of Residence**
-

□ Important Notes

- Additional documents may be requested at any time in accordance with regulatory requirements.
- Verification is an **ongoing process**.
- You may be required to update expired documents to maintain full account functionality.
