How do I update my Provider profile?

Vi Viphawee - 2026-02-27 - [Comments \(0\)](#) - [Provider](#)

Update Provider Profile Picture

Step 1 - Actions

- Go to My Providers tab
- Click on the Actions > Update avatar

Step 2 - Update Image

- Click "File" and choose an image from your computer or device.
- After selecting, click "Upload."
- The image will update immediately on your profile

Update Provider Profile Details

Step 1 - Edit

On the My Providers page, click "Edit."

Step 2 - Enter details

- Add or update information in the Summary and Notes fields.
- Click "Save Changes."
